

Pupil Council Minutes

DATE:

6-11-19

CHAIR PUPIL:

Daniel

MAIN SUBJECT
OR QUESTION

Playground resources

The following actions were discussed at our meeting:

- Suggestion box
- Children in need
- Playground resources

- **Suggestion box**

The councillors considered each of the entries submitted for the suggestion box design competition. After careful deliberation they chose 12 pictures to be added to the box, which will be put into position next week and hopefully well used.

- **Children in need**

On Friday 15th November the children would like to help raise money by donating £1 to wear their nightwear or something spotty and to bring either a teddy or a book to school. They would also like to see buns for sale to raise further funds for the BBC Children in need charity.

- **Playground resources**

The pupils discussed what they would like to see purchased, with the Primary PE and Sports Premium funding.

Ideas included:

- Hula hoops/ Quoits
- Ball & Cup
- Monkey bars/ swing
- Skipping ropes
- Velcro catch/ ball on elastic wrist band
- Stilt cups
- Bouncy hoppers (summer)

This subject could be a good way for the other children to utilise the new suggestion box.
