

Pupil Council Minutes

DATE:

05.02.2020

CHAIR PUPIL:

Fabian

MAIN SUBJECT
OR QUESTION :

New Halal lunch option

The following actions were discussed at our meeting:

- NSPCC National Number Day
- Suggestion box
- New Halal lunch option

- **NSPCC Number Day**

On Friday 7th February 2020 it will be NSPCC Number Day. The children propose that each child could donate £1 to dress in non-uniform for KS1 and as a Rock-Star (linked to TT Rock-Star maths learning programme) for KS2 pupils. They would also like to see buns on sale for 20p with all proceeds raised to go to the NSPCC charity.

- **Suggestion Box**

As planned, the councillors emptied the new suggestion box. We had a range of suggestions including:

Hula hoops on the playground, more pasta dishes at lunchtime, School Captains back, fruit bar at playtime, small milkshake as a pudding option and a choice for Y6 children to stay on the back playground if they don't want to play football on the front playground. These ideas will be passed on to Mr Browning and any outcomes will be relayed back to individual classes by their councillors.

- **Halal chicken**

Following last year's success of Halal meat sandwiches on the menu, our school chef has now sourced some Halal flavoured chicken, which she intends to add to the lunchtime menu. Our chef (Gail) invited a group of 4 councillors and 3 other children with dietary requirements to sample the new flavours.

The results are as follows:

	(Don't like it).	(Like it).	(Love it)
BBQ	0	2	5
SWEET CHILLI	0	0	7
THAI COCONUT	1	0	6
